THEOLOGY OF THE BODY I: A HEAD

Heart IMMERSION

MONTSERRAT JESUIT RETREAT CENTER • DALLAS, TEXAS

Pope Saint John Paul II's Theology of the Body is not only intellectually stimulating. The truths it proclaims are life-changing, especially for those wounded by the lies of our sexually-charged culture.

This "Head and Heart" Immersion Course offers rigorous academic study and seeks to facilitate personal integration of the material, helping students journey from "head to heart."

The Theology of the Body Institute is pleased to offer this one-of-a-kind course in conjunction with the Institute for Priestly Formation and Creighton University.

All our week-long retreats include:

- Five days of learning and interactive lecture (30 hours of classroom time)
- Time for relaxation and networking with other TOB enthusiasts
- Daily Mass, adoration, and confession will be available
- Round trip shuttle from the Dallas Fort Worth Intl. Airport is available

Bill Donaghy has spoken internationally on faith and the New Evangelization since 1999. Through his work with the Pontifical

Mission Societies, Bill gave hundreds of talks on the spirituality of mission to young people throughout the greater Philadelphia area and beyond, creating a teaching and speaking ministry known as MissionMoment.org. He holds an Associates Degree in Visual Arts, a Bachelors in Philosophy and a Masters in Systematic Theology. In addition to his full-time work for the Theology of the Body Institute, Bill teaches at Immaculata University. He and his wife, Rebecca, live outside of Philadelphia, PA with their four children.
