THEOLOGY OF THE BODY I: A HEAD

Heart IMMERSION

BLACK ROCK RETREAT CENTER • QUARRYVILLE, PA

Pope Saint John Paul II's Theology of the Body is not only intellectually stimulating. The truths it proclaims are life-changing, especially for those wounded by the lies of our sexually-charged culture.

This "Head and Heart" Immersion Course offers rigorous academic study and seeks to facilitate personal integration of the material, helping students journey from "head to heart."

The Theology of the Body Institute is pleased to offer this one-of-a-kind course in conjunction with the Institute for Priestly Formation and Creighton University.

Christopher West is a renowned educator, best-selling author, cultural commentator, and popular theologian who specializes in making the dense scholarship of the late Pope John Paul II's Theology of the Body accessible to a wide audience. As founder of *The Cor Project*, he leads a non-profit global outreach devoted to cultural renewal through the "new evangelization." West has been teaching graduate and undergraduate courses on the Theology of the Body and sexual ethics since the late 1990s. Since 2004, he has served on the faculty of the Theology of the Body Institute and his courses continue to draw clergy, religious, and lay people from around the world.

All our week-long retreats include:

- Five days of learning and interactive lecture (30 hours of classroom time)
- Time for relaxation and networking with other TOB enthusiasts
- Daily Mass, adoration, and confession will be available
- Round trip shuttle from the Philadelphia International Airport is available
